# Welcome to Our Product Catalog

**SK Enterprises** 

“Healthy living begins with a safe home.”

““Play better, longer, and safer — on our durable all-weather cricket turfs.”.”

“Built to Last, Designed for Comfort.”

## About Us

SK Enterprises provides high-quality synthetic cricket turfs designed for professional and recreational use. Our turfs replicate the look and feel of natural grass while offering long-lasting performance with minimal maintenance.

Our premium artificial cricket turfs are made from high-quality synthetic grass designed to replicate natural turf performance. They provide a smooth, even surface ideal for both practice sessions and professional matches, suitable for indoor and outdoor installations.

### Unique Features

#### Technical Specifications

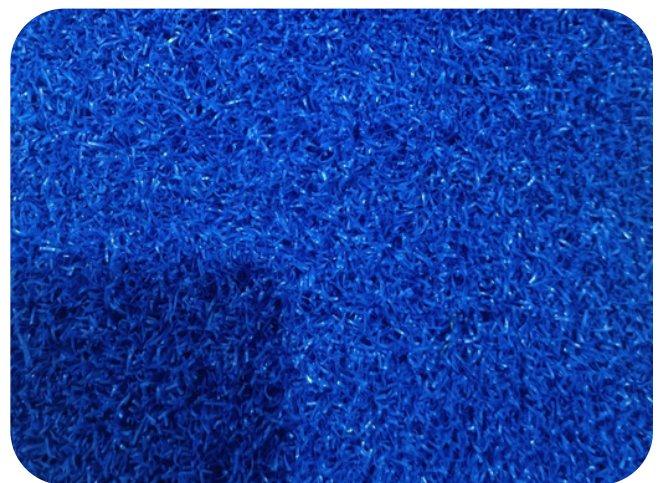

Quality Grades:

We offer multiple grades based on play level and budget:

1. **Standard Turf** – for schools or basic practice areas.
2. **Premium Turf** – for academies and club-level use.
3. **Professional Turf** – for tournaments or high-performance setups.

#### Thickness / Pile Height:

- **10 mm to 15 mm:** Ideal for hard, fast practice pitches (less bounce).
- **20 mm to 25 mm:** Balanced bounce and comfort — best for training nets.
- **30 mm to 50 mm:** Softer, natural feel — suited for multi-sport or match surfaces.

### Astro Turfs for cricket pitch

### Material:

- 100% UV-stabilized polyethylene or polypropylene fibers
- Backed with latex or PU coating for strong adhesion
- Optional shock pad base for enhanced safety and comfort
